

SUBSTANCE ABUSE

The CAGE Questionnaire Makes the Talking Points Easy

- Have you ever felt that you should *Cut* down on your drinking or drug use?
- Have people *Annoyed* you by criticizing your drinking or drug use?
- Have you ever felt bad or *Guilty* about your drinking or drug use?
- Have you ever had a drink or used drugs first thing in the morning (*Eye opener*) to steady your nerves or to get rid of a hangover?

Answering “yes” to any of things may indicate the need for a more extensive assessment.

Campbell County Health Behavioral Health Services provides the Northeastern Wyoming community with compassionate, confidential and comprehensive treatment of behavioral disorders, mental illness and substance abuse treatment following detox.
