Dear Participant:

October is National Breast Cancer Awareness Month. CANCER, one small word that barely takes up any space on a piece of paper, but has the power to take over one's life. Cancer is a disease that has affected or will affect nearly all of us at some point in our lives.

The Campbell County Healthcare Foundation's **Cancer Care Committee** is asking our community to **PAINT GILLETTE PINK** this October! **PAINT GILLETTE PINK** is

looking for participation towards awareness and support to our neighbors during their fight against cancer. The Cancer Care Committee is a local organization raising funds that stay in our community. Since the Cancer Care Committee's inception in 2013, over 180 patients and their families have benefitted from the support of our community.

Will you help us **PAINT GILLETTE PINK**?

Please consider participating in one or more ways:

Car Decals **\$10**

Show your support to everyone in the community with 3x4 vinyl window sticker.
