

## Call for Speakers

### EMSU 2022 - Gillette, WY

You are invited to submit a proposal to share your experience and expertise with colleagues at EMS University on **May 5-7, 2022**. Others will benefit from your experience while you make a valuable contribution to the profession. Our goal is for people to experience educational, informative, and inspirational professional development.

The annual conference attracts about 300 attendees, and is designed to provide continuing education credits for Emergency Medical Technicians, Paramedics, first responders and industry safety personnel. The conference tracks include courses on best practice and relevant approaches to basic life support and advanced life support.

Proposals for the 2022 EMSU Conference must list presentation content and learning objectives. We are especially interested in presentations that are applicable to, and geared toward, prehospital emergency medical care. Attendees express a strong desire for presentations that are engaging with application in the "real world". Other desirable characteristics include:

- Leading-edge information and emerging trends in the field
- Practical strategies for improvement and innovation
- "How to" best practices and case studies, including tangible implementation tools

#### **Please note in your proposal:**

1. Your name, credentials & background
2. Topic(s) & learning objectives
3. If you are able to present one, two or all three days
4. Length of Presentation; *we have 1-hr breakout & general session slots available*
5. Presentation fee and associated costs

#### **Important Timelines:**

Submission process opens:	December 1, 2021
Submission process closes:	January 31, 2022
Notification of acceptance:	March 1, 2022
Submission of Session Handouts & Presentation:	April 1, 2022
Conference presentation dates:	May 5, 6, & 7, 2022
