

August 8, 2017

Dear Participant:

October is National Breast Cancer Awareness Month. Breast cancer, two small words that barely take up any space on a piece of paper, but they have the power to take over one's life. Cancer is a disease that has affected or will affect nearly all of us at some point in our lives.

The Cancer Care Committee is asking our community to **PAINT GILLETTE PINK** this October! **PAINT GILLETTE**

PINK is asking for participation towards awareness and support to our neighbors during their fight against cancer. The Cancer Care Committee is a local organization raising funds that stay in our community. Since the Cancer Care Committee's inception in 2013, over \$100,000 has been gifted to patients and families fighting cancer. Will you help us **PAINT GILLETTE PINK?**

Please consider participating in one or more ways:

- 1. Restaurant "Round-Up" \$0 to your business**
We are asking local restaurants to set-up a "round-up" feature on their registers where customers may choose to round their bill up to the next dollar. The change would benefit **PAINT GILLETTE PINK**. *We would like the registers to be set-up by October 1 and run through October 31.*
- 2. Donation Jar \$0 to your business**
Would you be willing to place a change jar by your check-out station where your customers may donate their spare change to **PAINT GILLETTE PINK?** *We would like the jars to be displayed by October 1 and run through October 31.*
- 3. Window Decals \$50**
Purchase 12"x12" vinyl decal for your business door - will be delivered to your business by October 1
- 4. Car Magnets \$10**
Show your support to everyone in the community – magnets can be picked up or mailed by October 1
- 5. Support Yard Signs \$25**
18"x24" corrugated yard sign with metal stakes - will be placed in your yard by October 1

If you are interested in supporting **PAINT GILLETTE PINK**, your business will be recognized on our Facebook website. Please contact a committee member to discuss more details.

Thank you for your support!
