01/11/2024

On behalf of EMS University, we are thrilled to extend an invitation for you to submit a proposal to share your invaluable experience and expertise as a speaker at our milestone 25th-anniversary event, taking place on May 2-4, 2024.

EMS University has been a cornerstone in the professional development of Emergency Medical Technicians, Paramedics, first responders, and industry safety personnel across the northeast Wyoming region and beyond. As we commemorate our 25th year, we are dedicated to delivering an exceptional conference experience for the approximately 300 attendees who seek cutting-edge insights and advancements in prehospital emergency medical care.

Your participation would not only contribute to the continued success of EMS University but also provide a unique opportunity for others to benefit from your wealth of knowledge. We aim to curate a program that not only meets but exceeds the expectations of our diverse audience, offering educational, informative, and inspirational content.

For the 2024 EMS University event, we invite proposals that align with our commitment to excellence. Submissions should include detailed presentation content and learning objectives. We are particularly interested in presentations that apply to and are tailored for prehospital emergency medical care, addressing the practical needs of our attendees.

Desirable characteristics for proposals include:

Leading-edge Information and Emerging Trends: Share insights into the latest advancements and emerging trends in the field.

Practical Strategies for Improvement and Innovation: Offer practical strategies that drive improvement and foster innovation within the emergency medical care sector.

"How To" Best Practices and Case Studies: Provide hands-on guidance through best practices and case studies, accompanied by tangible implementation tools.

If your content aligns with these characteristics, we ask you to consider sharing time with us at our 2024 event!

Please submit the following items with your proposal to education@cchwyo.org:

- The title of your presentation
- A brief bio/description of your presentation between 50- 150 words including learning objectives.
- A high-quality (.JPG or .PNG) professional headshot

Important Timelines:
