Getting Started with MyChart

powered by **Epic**

1 Download the app

Search 'MyChart' in the Google Play Store (Android), Apple App Store (IOS)

2 Get login access

Call 1-855-467-0810 for Campbell County Health login access

3 Register your account

Use your login information to set up MyChart once you've scheduled your qualifying appointment

> **QUICK TIP** *You must have an appointment scheduled with a CCH provider on or after July 19, 2025 to register*

4 Confirm your personal information

In MyChart, open the menu and select Personal Information

Update your preferred phone and email fields and save changes

> **QUICK TIP** *If your home and mobile numbers are the same, enter your mobile number in BOTH fields. This ensures you receive notifications including reminders.*

5 Start using MyChart

After your first appointment, on or after July 19, 2025, enjoy full access to MyChart including messaging providers
